Children and youth (up to 25 years) are invited to participate and submit their artworks by the deadline of **January 29, 2018**. http://www.jurmala.makslaskola.lv/lv/konkurss/i_live_by_the_sea/

The competition is organized by Jūrmala Art School. The theme for the competition is **"Bridge"** - a bridge over the river, a bridge above the rift or a bridge between two seas... But the bridge can also unite the time, generations, people, the past and the future. So many myths and fairy tales are illuminating the philosophical meaning of the bridge in different cultures and traditions. The bridge is the connection that gives an opportunity to meet and unite different worlds together.
