**Artgila123, InSEA exhibition, December 24th, at TAZ palace , Cairo, Egypt**

ARTgila 123 is an international ceramic miniatures . These clay-based works have been limited to the size of a matchbox and explore the intricacies of ceramics based pedagogy through miniature sculpture and reflect the theme of art education and the artist/teacher’s approach to and love for clay. The exhibition in Cairo was curated by InSEA Vice-President Samia Elshaik and was held in the beautiful Taz Palace.
