4-12-2018: World Councilor Robert F. Hayden J. and InSEA members from Thailand Dr. Soamshine and Dr Lertsiri Bovornkitti organized a round table in Chulalongkorn University, Bangkok. During the round table delegates from art departments in different universities of Thailand and art teachers organizations presented a great range of courses in art, design and art teachers education. The participants were able to know more about InSEA, and InSEA delegates from Austria; United States; Philippines and Portugal were able to learn more about diverse perspectives on art education and education through art! And of

course appreciate the impressive artistic scenario of South Asian artists represented in the art biennial of Bangkok.

8-12 December 2018: The InSEA Asia Regional Congress, 2018 was held in collaboration with the 7th World Chinese Art Education Symposium in Hong Kong . It was a great event with many participants from China and other countries of Asia and other continents. During the event , the creators of the Asia Regional Council of InSEA met to discuss the Regional Board next steps and future plans for InSEA in the region: Bangkok will probably be the venue for the next InSEA Asia Regional Congress in 2020.

The International Society for Education through Art is seeking Principal Editors and Editors for the ART Education online VISUAL Journal IMAG
