[InSEA Newsletter February 2015](#)

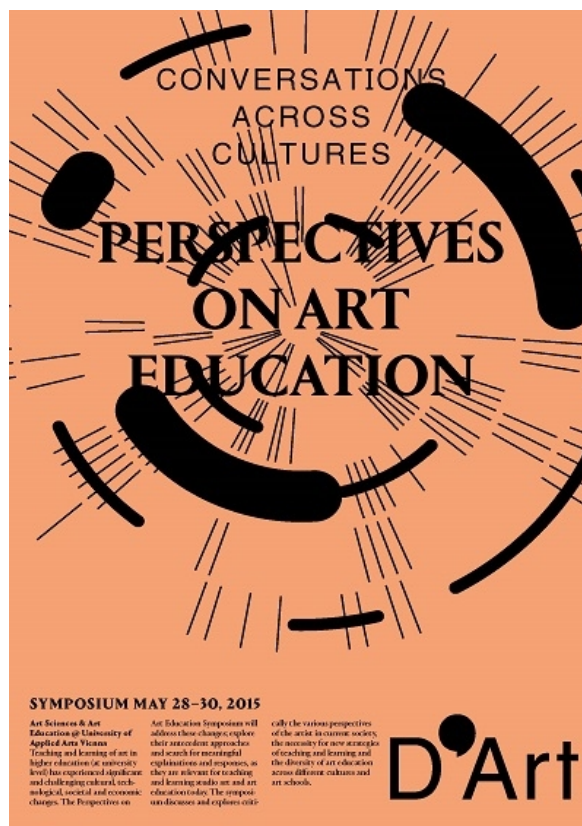

Underlights InSEA Arts exhibition calls for artworks exploring the relation between the lights and the “imaginarium” around them. The exhibition is integrated in the [UNESCO International Year of Light](#) that will consist of coordinated activities on national, regional and international levels. Activities will be planned so that people of all ages and all backgrounds can gain an appreciation for the central role of light in science and culture, and as a cross-cutting scientific discipline that can advance sustainable development.

[Hong Kong International Students' Visual Arts Contest-cum-Exhibition \(HKISAC\) – PHOTOGRAPHY \(2015\)](#)

The HKISAC (2015) has been jointly presented by the Hong Kong Education Bureau (EDB) and Po Leung Kuk (PLK) since 2010. It aims to foster students' creativity, multiple ways of seeing and artistic talents, as well as promote international art and cultural communication. The theme of HKISAC 2015 is "Harmony".

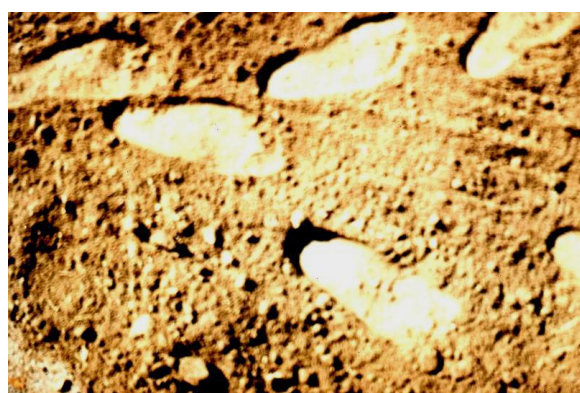

The deadline for submission of entries is **30 April 2015**.

Details of the HKISAC (2015) are available at the website: <http://www.hkisac.org>.
