InSEA
INTERNATIONAL SOCIETY FOR EDUCATION THROUGH ART

Dear InSEA Members

We have some updates for those of you attending the InSEA 2019 World Congress in Vancouver.

EARLY BIRD DEADLINE EXTENDED TO MARCH 25

The early bird deadline has been extended to MARCH 25. You will need your InSEA membership number to complete registration.

ALL presenters MUST register by this date or risk being taken off of the program.

If you are in a group presentation and someone in your group is not able to attend now, please notify our Program Chair of the change: Dr. Ching-Chiu Lin <2019inseaprogram@gmail.com>. Or if you were accepted to give a presentation and you are no longer able to participate, please let Ching know.

MEMBERSHIPS AND RENEWALS

In order to register, you must be a member of InSEA (or locally, BCATA). InSEA volunteers will provide you with a membership number so this will take time. Please join or renew ASAP to allow them time to assign membership numbers and to allow you time to register with your membership number.

ACCOMMODATIONS

We still have space available, though selection is limited. Please register ASAP.

CONGRESS DINNER

We appreciate that the price may be high - but it promises to be fabulous - family style dinner with lots of food choices, the **Phonix Jazz Trio** (piano, bass and drums) during dinner followed by **Phonix Seven** for our dance (singers, trumpets, sax, bass, piano and drums). To see/hear them go to: <https://www.thephonix.ca> Also, we hope to include a few fun surprises! It should be a fabulous celebration and we encourage everyone to attend! But we can't host this unless we get enough people so please sign up! We Promise - it will be memorable!!

Harbour Cruise

What a way to end the conference week - a harbour cruise around Burrard Inlet. Witnessing the spectacular beauty of the city of Vancouver meeting the Gulf of Georgia, the mountains, and ultimately, the Pacific Ocean. While not a dinner cruise, drinks and snacks will be available.... a wonderful evening to socialize with friends before returning home! AND we will take everyone back to campus for their final night stay - transportation is included. Again, we can't host this unless we get enough people so please sign up! It will be super fun!

Hurry - we need you to register!

The fifth book in the InSEA Endorsed Relate North series has now been published

This book is the fifth in the InSEA endorsed Relate North series. As in previous volumes, the contents reflect the range of research and practice that is going in art and design in northern and Arctic countries. The title of the book was also the theme of a symposium and exhibition that took place in Rovaniemi, Finnish Lapland, in November 2017. The question of how the interconnected topics of education and sustainability might be addressed through research in art and design formed the basis of a call for papers for that conference.
